

# EXTRAORDINARY ALIENS!

## A Cinematic Journey Through Strange Lands!

Nicole is going back to America (for a little while) and Nick is going back to Sydney!

Please join us at 6.00pm on Sunday 22nd May for some farewell nibbles, drinks and fun.

**Part 1: Extraordinary Alien.** Nicole starts our trip by showing videos and telling stories about her three years as an 'extraordinary alien' resident artist in the USA.

1. **Lot to Learn** (2008: 4 mins) and **Sunlight on the Snow** (2008: 5 mins). Music clips shot in wild west towns and parks in Montana.
2. **I Walked with a Zombie** (2009: 5 mins). Music clip featuring the world's biggest zombie day march in Pittsburgh.
3. **Bumping into Russell Crowe** (2010: 10 mins). Nicole tells a true story of her brush with fame when working as a movie extra.
4. **Skeltys and Foley: Journey of the Band of Discovery** (2011: 14 mins). Two Australian musicians go on a two week music road trip through the Appalachians and the country music scene is never the same.

### INTERVAL

**Part 2: Extraordinary Aliens.** Nick Meyers will lead us through space with three of his favorite cult sci-fi treasures.

5. **The Touchables** (1968: 68 mins). Four swinging London dollybirds kidnap their favorite popstar and whisk him away to their pleasure dome in the country. Key words: London, 60's, Pop-Stars, Gangsters, Nuns, Gay Wresters, Robots.
6. **Devil Girl from Mars** (1954: 46 mins). On a mission to repopulate her planet, Nyah (a PVC clad alien) visits an inn in the Scottish highlands. Which man will she choose?
7. **Star Maidens** (1975: 25 mins). A planet ruled by women in diaphanous gowns and platform boots, sidles up to planet Earth in the midst of the feminist '70s. First episode of this tragically forgotten TV series.
